

Ultra Disturbing

Words by Julia H. West
To the tune of the Charmin Ultra commercial

Hey, little fella, you are on TV
Why stick your TP-covered rear up for all to see?
Gee, you're just an animated genderless bear
But please don't show us your derriere.

Don't show your derriere, derriere
That's more disturbing than other commercials on the air
Gotta wonder now how you thought you could dare
To show a TP-covered derriere.

No no no . . . bear butt.

The original commercial can be viewed at
